I understand that participation in the Glenwood Swim Team is a family activity and that all swim meets and other team events are organized and run by volunteers. In this regard, I understand the expectation that I (or my spouse) needs to work at least three or more meets during the season. I consent to my child/children as listed above participating in the activities of the Glenwood Swim Team. I release and agree to hold harmless the Glenwood Swim Team, its coaches, agents, and all of its members from any claims for injuries sustained in connection with participation in these activities. I will ensure that my child/children will behave in an appropriate manner or be subject to removal from the team.
