

2018 Glenwood Pool Snack Bar  
Commitment and Honor Code

The Glenwood Pool and its membership values and respects its snack bar workers. Without this support, our pool would not have easy access to snacks during swim breaks. Likewise, the swim team receives extra funding through snack bar sales, helping to offset team costs to its members.

To maintain a smooth running operating snack bar and a successful learning opportunity for its workers, Glenwood Pool asks that our student workers uphold the following commitments:

- Workers will act respectfully toward each other, pool members, and pool staff;
- Workers will provide quality customer service;
- Workers will arrive promptly & operate the snack bar during assigned times;
- Workers will work with honor, ensuring that all items are paid for during each shift, by workers as well as friends and pool members;
- Workers will keep snack bar area clean, throwing out trash as needed;
- Workers will not eat while working in the snack bar;
- Workers will only purchase items while another worker is on duty, never purchasing items while working alone;
- Workers will remember to lock the snack bar at the end of shift and return key to proper place; and
- Workers will accept the authority of the snack bar managers.\*

\*The snack bar managers may exercise discretionary authority to discipline or remove snack bar workers. Your parents will be contacted if you fail to uphold the above commitments or participate in other behavior that will compromise the operation of the snack bar.
